PURPOSE/BACKGROUND:

Current zoning regulations require parking areas used in connection with temporary real estate sales offices to be paved. It has been determined that other types of surfaces may be appropriate for such a temporary use, including decomposed granite, chat, reclaimed asphalt paving and other materials that may be approved by the Department of Public Works. This bill will allow those additional surfacing alternatives.

RECOMMENDATION:

ADOPTION at 10/4/2006 City Council meeting pursuant to the 9/19/2006 Recommending Committee.
